

LOGAN CONCERT AND DANCES THIS EVENING

The dance concert by the U. S. S. Buffalo band, programmed to be given at the Royal Hawaiian Hotel last night, was postponed until tonight, to give the transport Logan opportunity to arrive and for army and navy passengers to attend. It was announced in yesterday's papers, that the entertainment might be postponed to this evening, if the vessel failed to arrive yesterday, and this change was kindly consented to by Capt. Everett at 6 o'clock last night.

Whether the Logan arrives today or not, the concert and dance must take place tonight, in order to give the public one more opportunity to hear the band as the Buffalo sails tomorrow for San Francisco. It is confidently expected that the Logan will arrive today.

Following is the band program for the concert, after which extra waltzes and two-steps will be played for dancing:

Great advancement has been made in the optician's business than in any other. A few years since, spectacles were handed over the counter like ordinary merchandise, but today the services of a fully qualified optician are essential in order to determine—by a scientific examination of each eye—what are the correct glasses.
